## Mini Cutter CCU10

Premium Cordless Cutting For Rescue Versatility

---

### Product Overview

- The Holmatro CCU10 is the first cordless Mini Cutter: compact, versatile and immediately ready for action. This cordless tool makes any rescue set complete.
- Standard supplied with:
  - i-Bolt Technology
  - Integrated LED lighting
  - Two 18V 2Ah batteries CBPA182

### Key Features

- **Cordless design:**
  - Immediately ready for use
  - Maximum operational freedom
  - No more pumps and hoses needed in your rescue set – Saves space and weight on the rescue vehicle
  - No emissions – For safe indoor use and USAR applications
- **Compact, lightweight and versatile:**
  - Suitable for many applications such as cutting car pedals, head restraints and steering wheels. Also for cutting rebar (USAR), fences, steel bars, wooden bars and chains (grade 43)
  - Easy to pick up and carry
  - Easy to use in confined spaces
- **Smart battery technology:**
  - State of charge indication on the battery – For easy checking of your battery status
  - Efficient drive technology – Up to 70 cuts with one 2Ah battery
  - Inclined battery position – For easy switching of batteries
  - Part of the Cordless Alliance System (CAS) – Battery compatible with other tools that use this platform
- **Optimal tool control:**
  - Start-stop mode – Push the control button to activate the tool. Release the button and the tool stops, which saves valuable battery time. Restart the tool by simply pushing the control button.
  - Variable speed control – Lightly push the control button for low speed. Push the button further down and the speed increases.
  - Control slide – To switch between opening and closing the tool
- **Unique inclined cutter jaw:**
  - More freedom in positioning the tool & For easy access to car pedals
- **Grip teeth on both blades:**
  - For extra bite when cutting & To prevent wider materials from being pushed out of the blades
- **Integrated LED lighting:**
  - Ensures a well-lit working space
  - Powered by the main battery – LED-light automatically switches on and off with the tool
- **Ergonomic design:**
  - Easy one-handed positioning
  - Easy operation, also with gloves on
  - For both left- and right-handed operators

# Holmatro Mini Cutter CCU10

Premium Cordless Cutting For Rescue Versatility

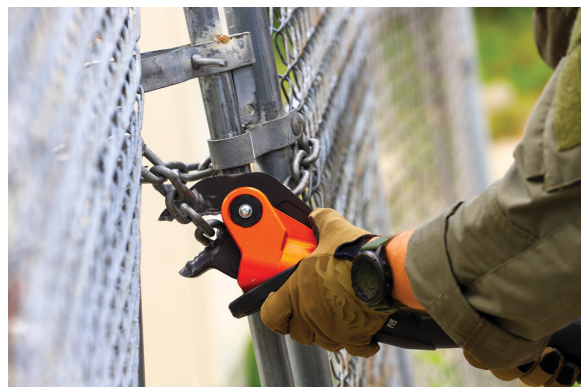

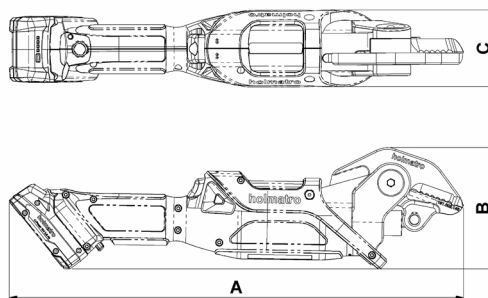

Specifications		
Article number		151.001.500
Model		CCU10
Short description		Mini Cutter
Max. working pressure	bar/Mpa	720 / 72
Battery included		Yes
Max. cutting opening	mm	59
Theoretical cutting force	kN/t	220 / 22.4
Protection rate		IP54
Sound emission @ 1m/3.25ft	dB(A)	74
Sound emission @ 4m/13ft	dB(A)	65
Hydraulic oil type		ISO-L HV VG 36
Cutter jaw		Inclined
Weight, ready for use (incl. battery)		4.9
Weight (excl. battery)		4.5
Temperature range		-20 +55
Dimensions (AxBxC)	mm	554 x 154 x 92
EN 13204 compliant		Yes
EN 13204 classification		AC59B-4.9
EN 13204 cutting capacity		1D 2D 3C
NFPA 1960 compliant		Yes
NFPA 1960, cutting capacity		A4 B3 C2 D4 E4
EN 13204 2025 Ed classification		F-CU1-59-B
Round bar (S235 acc. to EN 13204)	mm	22

Safety factors / tests	
Hydraulic safety factor	2:1
Endurance test tool	1000 cycles of biting in material that cannot be cut
Endurance test dead man's button	6000 cycles

Standard supplied with	
<ul style="list-style-type: none"> <li>• i-Bolt Technology</li> <li>• Integrated LED lighting</li> <li>• Two 18V 2Ah batteries CBPA182</li> </ul>	

Required accessories	
Battery charger CBCH1 (AC-EU)	151.002.112
Battery charger CBCH5 (AC-UK)	151.002.113
Battery charger CBCH7 (AC-AU/NZ)	151.002.114
Battery charger CBCH2 (AC-US)	159.000.212
