

Holmatro OmniShore

Power Station PS01

Exceptional Shoring Power | Ready to Secure Safety

Product Overview

Power Station for wired powering of up to 4 OmniLock Drives.

OmniLock: Full Control With Less Manpower

- No one needs to be near a moving load – Monitor and operate the OmniLock struts from a distance
- Auto-follow has your back – OmniLock automatically follows and locks a load in both directions
- Less people needed – Control multiple OmniLock struts simultaneously with the Wireless Controller

Battery Management Made Easy

- Simply connect your Power Station to the charger and the whole charging process will regulate itself. The battery on the Power Station has priority over the one on the charger.

Maximum Safety

- Safely change the battery – The Power Station can be placed outside the danger zone

Multifunctional Equipment

- Use your battery for the Power Station also for all Holmatro Pentheon tools

Realtime Diagnostics

- LED indicators on the Power Station, battery and charger provide you with direct feedback on the battery's temperature, state of charge and state of health
- For more detailed battery information you can make use of our diagnostics software

Holmatro OmniShore

Power Station PS01

Exceptional Shoring Power | Ready to Secure Safety

Specifications		
Article number		151.002.244
Model		PS01
Short description		Power Station
Weight, ready for use	kg	2.7
Dimensions (AxBxC)	mm	300 x 225 x 179

Accessories		
On-Tool Charging Cord POTC1		151.000.499

Required Accessories		
Battery Charger PBCH1 (AC-EU)		151.000.629
Battery Charger PBCH4 (AC-JP)		151.000.630
Battery Charger PBCH5 (AC-UK)		151.000.631
Battery Charger PBCH3 (DC)		151.000.632
Battery Charger PBCH2 (AC-US)		151.000.742
Battery Charger PBCH6 (AC-KR)		151.001.209
Battery Charger PBCH7 (AC-CN)		151.001.518
Battery Charger PBCH8 (AC-IN)		151.001.519
Battery PBPA288		151.004.490
Battery PBPA288 (CN)		151.004.491
