FIRE FIGHTING

Catalogue 2026

OUR FIRE FIGHTING CAPABILITY

When fighting fires, quality personal protective clothing and fire fighting equipment are vital to ensure the safety of its users. At FRSA, we pride ourselves on our high quality products provided by our high quality suppliers. In the fire fighting scene, we have a long list of products that perform at the highest level and are compliant with all of the Australian and International Standards including AS/NZ, EN, and NFPA.

Fire jackets, trousers, boots, helmets, hoods and helmets are just some of the range of PPE products FRSA can provide in the fire-fighting scene. FRSA also have a wide range of fire fighting equipment available including monitors, hoses, nozzles, foams, and PPV fans.

This catalogue provides insight into our range, however our capability extends well beyond this list. For more information on the products in this catalogue or any other products in this discipline, contact FRSA.
